**04. Dental Unit Model – XPRESS TOP from GNATUS 01**

**SYNCRUS (HLX) with Overhead Continental Delivery System**

Each Consisting of: -

- Electrically operated with gear base system with corrosion free epoxy paint
- 3 way Syringe (Sterilisable) **with 6 spare tips**
- 3 way Assistant Syringe **with 6 spare tips**
- 2 High-speed terminals without H/P- 1 Air micro motor terminal without H/P (water control on coupling)
- Inbuilt **LED Light Cure Unit and Piezon Ultra Sonic Scaler**
- Infection Control System with Non Retraction Valves (Bio-System) &
- Removable and autoclavable holders protecting the Hand pieces.
  - Unit arm can be pneumatically locked and auxillary removable tray
  - Two reservoir bottle for water and disinfection
  - Air Tubing of delivery unit system can be disaffected
- Latest Foot Operated **white and cold LED Dental Light with 5 LED's (35,000 LUX)**
- Medium Vacuum Suction & Canula only for high Vacuum
- Water System Rotable with removable spittoon
- Dental Chair – SYNCRUS GLX** with independent Up and Down movement
- Seamless upholstery with easy cleaning system
- The synchronized movement between the seat and backrest, with **TRENDELEMBURG** position.
- Headrest with **SEESAW** movement suitable for Pediatric Patients **with cervical support**
- Auto Return to Zero position
- Two Programmable working Positions
- Spitting and last position with light/water for spittoon **ON-OFF**

- Lock the movements.
- Emergency stop control.
- X-ray viewer with light generated by LED.
- Arm rest options of Fixed, Lateral 90° swivel available
- Multifunctional foot control (base fixed or mobile).
- One Doctor's stool (with) adjustable backrest tilt includes an adjustable ring.
- Operating Voltage 105V to 250 Volts  
(Specially designed for Indian condition)
- Maximum Height 90cm – Minimum Height 45cm
- Programmable water bowl/cup filler control on  
assistant swing arm with feather touch panel
- **NOW WITH GERMAN BOSCH GEAR MOTORS**
